ABOUT OPTISMILEHi there, welcome to OptiSmile. My name is Dr Clifford Yudelman. My highly qualified team is here to help you.Do you hate feeling self-conscious about your smile? Do you avoid laughing or eating in public because of your teeth? If so, you’re not alone. Many people are unhappy with their teeth, which can affect their quality of life.Thankfully, there is a solution. With our advanced dental procedures, you can enjoy a beautiful, confident smile that will let you laugh and eat without anxiety!When it comes to world-class dental care, Cape Town is home to some of the best cosmetic dentists in the world. OptiSmile proudly offers our patients the latest dental technology and procedures. Whether you’re looking for professional service, a simple cleaning or something more complex, we can help.We specialise in everything from teeth whitening to dental implants, and we always put our patients’ needs first. OptiSmile is the premier multi-speciality cosmetic practice of this kind in Cape Town. We are not an emporium or group of individual dentists sharing space. Instead, we are one united team of professional dentists and hygienists who work to achieve the best oral health and smile for you.We understand that every patient is unique, so we take the time to know each patient and their individual dental needs. We believe this personalised approach is the key

to providing our patients with high-quality dental care.You, our patients, are why we're The Highest Ranked dentists in Cape town for "Best Dentist in Cape Town", with Over 250 Five-star Reviews On Google.We are here for you. Without you, we have no purpose. Our purpose is to serve and delight you with a WOW experience at the dentist. Every visit.Suppose you're ready to improve your smile or need a family dentist, WhatsApp OptiSmile today. We'll be happy to answer any of your questions and help you schedule your first dentist consultation appointment. We look forward to meeting you soon!I assure you that my highly recommended team will make your experience something to rave about, and I personally guarantee it.BENEFITS LIST FOR DENTAL SERVICESA broad range of dental servicesAt OptiSmile, we understand the importance of a healthy and beautiful smile, which is why we offer a wide range of dental services to suit your individual needs.We get it right the first timeAre you sick of dentists charging you for a dental service incorrectly done the first time? Us too, which is why our fillings are guaranteed for lasting results.Do No HarmWe know that you want your smile to look good and feel natural, which is why we work with what's already there before damaging existing structures.Upfront about costsWe don't like hidden surprises and doubt you do. We'll always be upfront about costs and have payment plans available.Top-of-the-range dental technologyOur dental technology is top-of-the-line, meaning you can rest assured that your teeth are fixed per the latest innovations.Prevent future issuesThrough advanced dental technology, we can pre-empt any issues before they become a problem, which is better for your oral health in the long run.BENEFITS OF OUR DENTAL TECHNOLOGYA Broad Range of Dental TechnologyAt OptiSmile, we understand the importance of staying up to date with advancing dental technology. This ensures that your smile is crafted in the best and most efficient manner possible.Design Your Future Smile, TodayOur Digital Smile Design (DSD) helps you become a co-creator of your new smile, so you know what it'll look like before getting started with implants, veneers, teeth whitening or other dental services.A Smile That Will Last a LifetimeWe are the dental clinic to go to if you want a lifetime of happy smiles. With our state-of-the-art equipment and modern techniques, we can give your teeth that perfect look, with quality

guaranteed.Virtually Pain-free ExperienceA fear of injections is often the primary concern of anxious dental patients. However, with the numbing wand, we can deliver injections in the most efficient and pain-free way possible.Earlier Prevention of Issues Before They Become a Problem.By using the Leica Microscope, with 40x zoom, we can identify and detect concerns before they become dental problems.WHY YOU SHOULD USE OPTISMILE TO FIX YOUR DENTAL PROBLEMSFriendly StaffAt OptiSmile, we are committed to providing our patients with the highest quality dental care. We believe dental health is essential for overall well-being and are dedicated to helping our patients achieve and maintain good oral health.Get It Right the First TimeToo often, people invest in dental work only to have it fall out a few short months later. It’s not only frustrating, but it can also be quite costly to replace. That’s why, at our office, we pride ourselves on doing the job right the first time and often in one session.No Hidden CostsThere are no hidden fees or surprises when you use OptiSmile. We’re upfront about the costs and believe you shouldn’t wait to have the smile of your dreams. That’s why we offer payment options to suit your unique circumstances.Do No HarmAt OptiSmile, we understand that teeth are essential to overall health. We also understand that many people are concerned about the potential damage that dental procedures can cause. That’s why we’re committed to working with what is there before damaging any existing structures of your teeth.Convenient LocationLocated in Cape Town’s Atlantic seaboard, in Sea Point, our location is accessible with ample parking.The Best TechnologyAt OptiSmile Advanced Dentistry & Implant Centre, we are committed to providing our patients with the best possible care.
