Did you know that it's important to get your vacuum serviced and repaired to greatly extend its life? At Vacuum Cleaner House, we have the experience working with many different brands and models. We pride ourselves on being able to repair many older models of vacuums that most other appliance shops won't even look at anymore. Hoover, Columbus, Nilfisk, Bosch, AEG Electrolux, Wap, Hoover and many more. We also specialise in full restoration of vintage vacuums cleaners. If your vacuum requires a service or you suspect it may need some repairs, simply bring it into our store and we will be able to help you. Pickup and delivery can be arranged in most areas. Getting your vacuum cleaner serviced can help keep it in excellent working order and extend the life of the motor. We recommend you get your vacuum cleaner serviced every 12 months. We also repair and service industrial cleaning machines, vacuum cleaners, scrubbers, as well Domestic and Commercial machines. No Matter how old it is we will always do our best to get it repaired. All repairs Guaranteed for 1 year. Vacuum Cleaner House is committed to providing the highest quality vacuum repair service.
