Professional Movers and Packers You Can Count OnSHIFT GEAR | LOCAL

RELOCATIONS Moving is frequently listed as being one of the most stressful things you can do, and it doesn't have to be. Take the load off by hiring Moving dotcom, a family-run business you can trust to relocate your furniture and antiques whilst you focus on the other aspects of your move or retirement. Finding the right moving company isn't an easy task but we believe we offer affordable moving services with a high quality standard. We understand how stressful moving can be; experienced professional movers are essential to easing your concerns. Moving DotCom has an experienced team who make the moving process seamless and as effortless as possible. Our team of movers take the utmost care and spare no effort in making sure your valuables are protected. Get the best experience possible using local movers who are determined to give you a smooth, hassle-free relocation and the very best customer service. Furniture Removals We offer affordable, secure, reliable and professional furniture removal/relocation services. Home & Office Removals We offer both home and office removal/relocation services. Packing Services We offer a packing service with highly trained packers. Storage Solutions Get in contact with us and we'll help you with your storage solutions. Appliance and Electrical Connections

With a qualified electrician on our team, we offer a disconnecting and reconnecting service for your electrical items. Please stipulate the number of appliances that require this service when requesting a quote from us. This helps us provide you with an accurate quotation. Interprovincial Delivery We move goods, offices, homes and precious items across the Western Cape all the way to Port Elizabeth.
